BUSINESS INSIGHTS AND POLICY FRAMEWORKS FOR SCALING NUTRIENT RECOVERY TECHNOLOGIES

»»» WHAT'S IN IT FOR YOU?

- Expand on the national and EU-level barriers that limit the scaling and development of nutrient recovery solutions
- Describe the status of the legislative framework around nutrient recovery and draw parallels to the EU-landscape
- Elaborate on the challenges, needs and potential solutions for nutrient recovery stakeholders in the initial stages of a circular solution
- Focus on the impacts of human excreta management and bio-fertilizer production from the ongoing field tests
- Present insights related to value creation and increased funding readiness for start-ups within nutrient recycling
- Showcase study cases on wastewater treatment through nature-based solutions

WHEN & WHERE? «««

WEDNESDAY 11/12/2024 14:00-17:00 CET

Online on Jitsi Meet
